Player Comments to be noted:

It is Ryde Panthers Football Club policy as a rule not to grade players. In season 2018, we will have graded U9, 10,11 & 12 teams that we refer to as our Advanced Squads. *Note: the competition table does not come into effect until U12+ .*

Priority for selection in a team will be given to players who played in that team in the prior season, provided they register by Saturday 24 February 2018.

Players under the age of 18 will usually play in an age group that corresponds to the age they turn this year. For example, if your child turns 10 this year they will play in an Under 10 competition. However, although every effort will be made to accommodate your request the final allocation will depend on registration numbers.

Comments (Including requested team for Season 2018)

If you are new to the Club OR you have a specific request (friend association, etc.) then please say so in the **additional questions on My Football Club** when you register online. Your request will be considered and implemented if possible.

Please consider: We LOVE help.

Since its establishment in 1958, Ryde Panthers Football Club has been run solely by volunteers. Our management committee is a dedicated bunch who are always open to comments, criticism and positivity. A family based Club with good old-fashioned values.

Should you wish to put up your hand to help, whether it be coach, manager, team contact or whatever, please put this in the **additional questions on My Football Club** when you register online. Alternatively, please email info@rydepanthers.football for your request to be heard.
