This carved Panther was only last year, reunited with the Club courtesy of Al Ward who played for the Panthers in 1959/60. His father, PJ Ward, a former club secretary. Originally jet black, it has faded over the years. The Panther in flight as seen here can be seen on our club emblem.

## Play by the Rules

### Sporting legends promote safe, fair and inclusive sport

With the start of the winter sporting season now underway, it's worth reflecting on the fact that by the time the season comes to an end there will be many cases of clubs being kicked out of competitions, racist taunts, bullying, parents yelling verbal abuse at kids, fights, sexist behaviour, homophobic comments – the list goes on.

But it doesn't have to be this way. Sport can be such a vibrant and fun part of life – and something that the majority of participants and spectators enjoy in a responsible manner.

To help spread the message to keep sport safe, fair and inclusive, three of Australia's elite sportspeople – rugby league great **Petero Civoniceva**, Australian Rules dual Brownlow Medal winner **Adam Goodes**, and international cricket legend **Adam Gilchrist** – have each recorded a radio Community Service Announcement for *Play By the Rules* which has been distributed to radio stations nationally to be played over the next month.

*Play by the Rules* has also produced a video community service announcement focussing on these key messages, which has been distributed to television networks and pay TV outlets nationally.

You can listen to the audio messages and watch the video online at: [www.playbytherules.net.au/hot-topics](http://www.playbytherules.net.au/hot-topics).
